

WORKS FOR ME

RE-BIRTH OF A LEGEND.

THE NEW SEBO BS 360 / 460

Ready for new challenges. The new SEBO BS 360 / 460 upright vacuum cleaners combine the proven design and performance of their forerunners with low energy consumption and a high quality HEPA filter system.

MADE IN GERMANY

PROVEN TWIN-MOTOR CONCEPT. THE NEW SEBO BS 360 / 460

The new SEBO 360 / 460 ECO upright vacuum cleaner continues the long and successful SEBO tradition of twin-motor upright vacuum cleaners. Proven features like the COMFORT power head, and the suction wand with telescopic tube combine with enhanced filtration ready for the requirements of the second stage of the European Ecodesign Directive for vacuum cleaners.

01 Works when flat

The BS 360 and 460 can work when completely flat. With their low-profile design, they make it easy to clean under furniture.

02 Innovative power head

An electronic system advises the optimum setting for the 4-stage height adjustment and protects the motor and belt: If the brush is jammed it shuts down automatically.

03 Easy brush strip change

The brush strip of the power head can be changed without the use of tools, simply by pressing the release button.

04 Blockage clearing access

The self-closing flap on the bottom of the power head enables access to the suction channel to remove obstructions.

05 Filter bag continuity

The SEBO BS 360 / 460 features the same filter bag (1055) as previous models.

06 Three stage filtration system

A HEPA exhaust filter gives "A" rated filtration.

	SEBO BS 360	SEBO BS 460
RATED INPUT POWER	875 Watt	895 Watt
FILTER BAG VOLUME	5,0 l, 3-layer	5,0 l, 3-layer
WORKING WIDTH	36 cm	46 cm
WEIGHT	8,8 kg	9,4 kg
CABLE LENGTH	12 m	12 m
ENERGY EFFICIENCY CLASS	A	A+
ANNUAL ENERGY CONSUMPTION*	27,8 kWh	21,8 kWh
CARPET CLEANING PERFORMANCE CLASS**	B	B
DUST RE-EMISSION CLASS	A	A
SOUND POWER LEVEL	79 dB	79 dB
