

SEBO DISCO

SEBO DISCO ON MARBLE FLOOR

In February 2009 in Japan on Black Marble with RED, YELLOW and GREEN SEBO Floor Pad after use of 1.5 minutes each.

Particularly, note the marks from wet wiping to the right which get removed as well.

The machine is used dry. Wet wiping could be skipped or reduced by up to 90%.

Initial situation

After use of RED Floor Pad

After use of YELLOW Floor Pad

After use of GREEN Floor Pad

SEBO DISCO ON PVC FLOOR

Initial situation

After use of GREEN Floor Pad
